

**V.Ships**

January 30th, 2012

To Whom It May Concern:

Future Care Inc. has assisted V.Ships in the management of illness and injury cases internationally, at sea and in various ports worldwide.

This letter is my personal assessment of the medical management service that is provided by Future Care's team. I am happy to report that Future Care's program meets V.Ships quality management protocols.

Yours truly,

Captain Volodymyr Kovalchuk
