Please allow this letter to serve as a our recommendation of Future Care's services.

Wilhelmsen Ship Management USA has been using Future Care's Caring for the Crew Program for more than 5 years. Future Care has assisted Wilhelmsen Ship Management with illness and injury cases at sea and on land. We have always been pleased with the services provided by Future Care's physicians, Nurse Case Managers, First Responders and bill review specialists. We highly recommend their Caring for the Crew program to your fleet.
